(iii) The plant-wise reallocation of available generation capacities to the Discoms shall be as per Appendix-I.

(iv) The power generation available from captive power producers, mini/micro hydel projects or from non conventional energy sources not included in the above capacity allocation are deemed to be assigned to the discoms in whose geographical location such power project exists.

4. The above allocation is subject to following conditions:—

- The allocation of power is tentative and may be reviewed again as and when required.
- The above proportions of capacity allocation shall be revised in case of change in allocation of unallocated power in inter-state Generating Stations (ISGS) by the Government of India.
- MP Power Trading Company Ltd. (Tradeco) shall arrange short term power purchases which shall be allocated by Tradeco to Discoms based on their requisition or otherwise allocation shall be done among the three Discoms in the same proportion as indicated in Table-2 above.

5. The capacities as indicated in Table-3 below are assigned to the Madhya Pradesh Power Trading Company Limited (Tradeco) subject to the condition that three distribution companies of the State shall be having first charge on such capacities. Tradeco will allocate power as per the requirement subject to the available capacity and surplus power if any, shall be traded by Tradeco. Bulk Power Supply Tariff shall be decided by the Appropriate Commission.

- (a) Each Discom shall submit their demand to MP Tradeco for the next month by 15th of each month.
- (b) MP Tradeco shall allocate the unallocated capacity as shown in Table-3 among Discoms by 20th of each month. Allocation shall be as per the requirement subject to the available capacity.
- (c) For day ahead scheduling of power, the prevalent rules and regulations as laid down by Madhya Pradesh Electricity Regulatory Commission shall be applicable.
- (d) On the basis of capacity allocation, SLDC shall intimate entitlement of each discom in ISGS, MPPGCL (MP Share), NHDC Joint Ventures, SSP etc. to MP Tradeco.
- (e) MP Tradeco, in consultation with Discoms, shall furnish the requisition of power of respective Discom in ISGS, MPPGCL (MP Share), NHDC Joint Ventures, SSP etc. to SLDC limited to entitlement.
- (f) MP Tradeco, shall also furnish details of Short Term Power Purchase to be allocated to Discoms based on their requisition.
- (g) Discoms while submitting their requisition to MP Tradeco shall also indicate surplus/deficit if any, which can be allocated to other Discoms by SLDC in consultation with respective Discom.
- (h) SLDC after receipt of MP drawal Schedule from WRLDC shall compile and issue drawal Schedule of each Discom to MP Tradeco and generation Schedule to MPPGCL (MP share) based on merit order despatch.
- (i) The surplus power shall be sold outside the state or to any other utilities by the MP Tradeco in case of non-absorption by the Discoms.
- (j) Priority in allocation shall be given to those Discoms who submit the demand in time. If any Discom fails to submit the demand in time allocation shall be made appropriately by MP Tradeco as per overall availability.
- (k) SLDC will calculate the UI charges among Discoms/Generators based on Total allocation and scheduling (Intra State ABT).
- (l) Discoms shall provide short-term power requirement to MP Tradeco at least four months in advance.
- (m) In the event of non submission of monthly requirement by Discoms in time, the decision of MP Tradeco shall be final and binding on the Discoms in regard to

**8. Right to amend the reallocation of generating capacity:—**

The State Government by issue of separate orders from time to time may amend reallocation of generating capacity among the Discoms and make such provisions as may appear to be necessary for removing the difficulties arising satisfying the consumer demand across the state in a judicious manner.

By order and in the name of the Governor of Madhya Pradesh.
