F.No.2(15)/Policy-GST/2017/ 954-63

Dated : 16-10-17

ORDER

On the basis of feedback received from markets, associations, traders, professionals and field units, there are number of concerns emerging after the implementation of GST.

There seems to be need to have close coordination and communication with business community of Delhi. Therefore, it has been decided that following GST Support Committees are formed in major markets of Delhi.

These committees will be contact points for basic GST issues like G.S.T. awareness, platform for resolution of grievances of Traders, Markets and manufacturers arising out of GST implementation. These committees will function as an advisory, consultative, GST grievance redressal channel and participatory /discussion forum forming a bridge between the Department of Trade & Taxes and business community of Delhi.
