ORDER

Consequent upon the guidelines issued under "Department of Industrial Policy & Promotion" (DIPP), Govt. of India, as part of Business Reforms Action Plan under Ease of Doing Business for the year 2018-19 (e-service: Central inspection system) inspections under Legal Metrology Act, 2009, the decision of the department in this regard is as under:-

In order to ensure the compliance of various provisions of the Legal Metrology Act, 2009 and rules made thereunder, the department has issued various directions for the inspection of the establishments/industries. Although inspection guidelines have been framed last year, the same are not being implemented properly. The prevalent directions are not conforming to the use of information Technology system. Therefore a new comprehensive transparent inspection policy/system is required to be put in place with the following objectives;-

- To achieve the objective of simplifying business regulations.
- To regulate the implementation of statutory provisions of legal Metrology Act, 2009 and rules made under therein in transparent and accountable manner through technology.
- To protect the rights of consumers.

(A) **Transparent Inspection System for inspections related to Legal Metrology Act and Packaged Commodities Rules**

(other than inspection of premises of users of weights or measures at the time of verification)

1. **Exemption from 'compliance inspection' under the Legal Metrology Act/Rules.**

As a part of Ease of Doing Business and in compliance of the provisions of State Enterprise Promotion Policy, 2015 the retail establishment Govt. Undertaking sector units (Like sugar mills, Vita Milk etc) Except weigh bridges & Petrol Pump shall be exempted from the inspection unless there is an annual stamping and verification for their weights and measure instruments as per provisions of act and some other serious complaints (Surprise or Intelligence report) in this regard.

2. **Third party certification;**- As the objective of the Legal Metrology Act, 2009 is to establish and enforce standards of weights and measures, regulate trade and
