in advance the legal metrology officer concerned about the repairing”:

“Provided further that a person who bona fide repairs any weight or measure owned or possessed by him shall not require a repairer license”.

(2) On receipt of application for grant of license in the Form set out in Schedule IV, V and VI, it shall be examined in the office of the Controller and if it is found in order, the Controller shall issue a license to the Manufacturer, repairer or the dealer, as the case may be, in form set out in Schedule VII, VIII and IX as the case may be.

(3) Every license issued to a manufacturer, repairer or dealer under sub rule (2) shall be valid for minimum period of one calendar year and may be renewed for a period of one to five calendar years, by the Controller on payment of necessary fee as specified in Schedule X.

(4) Every manufacturer, repairer or dealer of weight or measure shall make an application for renewal of a license within thirty days, before the expiry of the validity period of the license to the Controller, in form set out in Schedule XI, XII and XIII, as the case may be:

Provided that if in the opinion of the Controller, it is expedient to do so, he may allow any manufacturer, repairer or dealer of weight or measure to make an application for renewal of license after the expiry of the validity of the license but before the expiry of three months from such expiry on payment of fee specified in form set out in Schedule X.

(5) The Controller shall maintain a register of licensed manufacturers, dealers and repairers in Form set out in Schedule XIV.

(6) Every manufacturer, repairer or dealer licensed under this rule shall maintain workshop, equipments, tools or register etc as per terms and conditions of the license.

(7) Every repairer licensed under this rule shall furnish a security deposit for each license to the Government as specified in the schedule XV.

(8) Every license issued or renewed shall be displayed in a conspicuous place in the premises where the licensee carries on business.

(9) A license issued or renewed shall neither be saleable nor transferable.

4. Suspension and Cancellation of license granted.-(1) The Controller may, if he has any reasonable cause to believe that the holder of any license issued, renewed or continued has made any statement in, or in relation to, any application for the issue, renewal or continuance of the license, which is incorrect or false in any material particular or has contravened any provision of the Act or any rule or order made there under, suspend such license, pending the completion of any inquiry against the holder of such license:

Provided that no such license shall be suspended unless the holder thereof has been given a reasonable opportunity of showing cause against the proposed action;

Provided further that where the inquiry referred to in this sub-section is not completed within a period of three months from the date of suspension of a license, such suspension shall, on the expiry of the period aforesaid, stand revoked.

(2) The Controller may ,if he is satisfied, after making such inquiry as he may think fit, that the holder of a license has made a false or incorrect statement of the nature referred to in sub-rule (1), or has contravened any law or order referred to in that sub-rule, cancel such license:

Provided that no such license shall be cancelled unless the holder thereof has been given a reasonable opportunity of showing cause against the proposed action.

(3) Every person, whose license has been suspended under sub-rule (1), shall, immediately after such suspension, stop functioning as such licensee and shall not resume business as such licensee until the order of such suspension is revoked.

(4) Every licensee whose license has been suspended or cancelled shall, after such suspension or cancellation, as the case may be, surrender such license to the authority by which such license was issued.

(5) Every licensee whose license has been cancelled shall, within a period of thirty days from the date of such cancellation, or within such further period, not exceeding three months from such date, as the Controller may, on sufficient cause being shown, allow, dispose of the weights or measures which were in his possession, custody or control on the date of such cancellation and in the event of his failure to do so, the Controller, in writing, in this behalf,

or measure, if during inspection, it is found that,-

- (a) Any weight or measure which being due for re-verification has not been presented for such re-verification.
- (b) Any weight or measure, which does not conform to the standards, established by or under the Act:

Provided that where the legal metrology officer is of the opinion that the defect or error in such weight or measure is not such as to require immediate obliteration of the stamp, he shall inform the user, of the defect or error found in the weight or measure and call upon the user to remove the defect or error within such time not exceeding eight days and shall –

- (i) if the user fails to remove the defect or error within that period, obliterate the stamp; or
- (ii) if the defect or error is so removed as to make the weight or measure conform to the standards established by or under the Act, verify and stamp such weight or measure.

Explanation:- The obliteration of the stamp on any weight or measure shall not take away or abridge the power of the legal metrology officer to seize such weight or measure in accordance with the Provisions of the Act.

7. Stamping of weights or measures.-(1) The legal metrology officer shall stamp every weight or measure, if after testing and verification, he is satisfied that such weight or measure conforms to the standards established by or under the Act, with a stamp of uniform design, issued by the Controller, which shall indicate the number allotted for administrative purpose to the legal metrology officer by whom it is stamped:

Sections 24(1)
and 53(2)(d)

Provided that if by reason of the size or nature of any weight or measure it is not desirable or practicable to put a stamp thereon, the legal metrology officer shall take such action as may be directed by the Controller by a general or a special order, in Writing.

(2) The legal metrology officer shall also mark the year and its quarter of stamping on every verified weight or measure except when the size or nature of such weight or measure makes it impracticable.

Explanation :- A year shall be deemed to consist of four quarters of which
