namely:-

- (i) where the energy is supplied to a domestic consumer, not exceeding twenty-eight paise per unit ;
- (ii) where the energy is supplied to a commercial consumer, not exceeding twenty-eight paise per unit ; and
- (iii) where the energy is supplied to any other category of consumers, not exceeding fifty per cent on the price of energy so supplied in a month,

as the State Government may, from time to time by notification, specify in this behalf :

Provided that the State Government may specify different slabs for different categories of consumers and specify different rates for each such slab :

Provided further that if such a consumer uses any part of the energy so supplied to him for a domestic or commercial purpose, -

- (a) where a separate meter is installed for measuring energy so used for domestic or commercial purpose, the rate of electricity duty on the part of the energy so used shall be as notified under clause (i) or clause(ii), as the case may be, and
- (b) where a separate meter is not installed for measuring energy so used for domestic or commercial purpose, the rate of electricity duty on the whole of the energy so supplied, including the energy so used, shall be as notified under clause (i),
- (iv) where the energy is supplied to any consumer, not being a licensee, through a temporary connection or a temporary extension of an existing connection for the purpose of illumination on the occasion of a marriage or other religious or social function, at such rate not exceeding ten rupees per unit of the energy so supplied, as the State Government may, from time to time by notification, specify in this behalf, notwithstanding anything to the contrary contained in the preceding clause; and
- (v) where the energy is supplied to a licensee, twenty-five per cent on the price of energy so supplied in a month :

Provided that on the supply of energy which is sold by a licensee not being a licensee specified in sub-clause (ii) of clause (d) of section 2.-

- (a) to a domestic consumer or a commercial consumer the rate of electricity duty on the energy so sold shall be as notified under clause (i) or clause (ii), as the case may be,

(b) to any other category of consumers and such a consumer uses any part of the energy so sold to him for a domestic or commercial purpose,--

(i) where a separate meter is installed for measuring energy so used for domestic or commercial purpose, the rate of electricity duty on the part of the energy so used per unit shall be as notified under clause (i) or clause (ii), as the case may be, and

(ii) where a separate meter is not installed for measuring energy so used for domestic or commercial purpose, the rate of electricity duty on the whole of the energy so supplied including the energy so used, per unit shall be as notified under clause (i), and

(c) to any consumer, through a temporary connection or a temporary extension of an existing connection for the purpose of illumination on the occasion of a marriage or other religious or social function, the rate of electricity duty on the energy so sold per unit shall be specified in clause (iv)."

(2) There shall be levied for and paid to the State Government the electricity duty at the rate of one and a half naye paise per unit, also by --

(a) a licensee generating energy himself on the energy supplied by him to the consumers; and

(b) a person generating energy for his own use or consumption on the energy used or consumed by him in a month.

(3) Nothing in sub-sections (1) and (2) shall apply to the consumption or sale of energy which is --

(a) 1( consumed by or sold to the Government of India for consumption by that Government; or)

(b) consumed in the construction, maintenance or operation of any railway by the Government of India or a railway company operating that railway, or sold to that Government or any such railway company for consumption in the construction, maintenance or operation of any railway.

1. Substituted for the words "consumed by or sold to the Government of India; or" by Punjab Act 16 of 1959, section 3. These words shall be and shall always be deemed to have been substituted.

(4) For the purpose of computing the electricity under this section, the consumption shown by the meters starting after the first meter reading date after the commencement of this Act shall be taken into account :

1(Provided that for the purpose of computing the electricity duty at rates specified in section 3 of the Punjab Electricity (Duty) Amendment Act, 1963, the consumption shown by the meters commencing with the first meter reading date falling after the first day of April, 1963 shall be taken into account :

Provided further that, for the period commencing with the first April, 1963 and ending with the first meter reading date falling after the first day of April, 1963, the electricity duty shall be computed as if the Punjab Electricity (Duty) Amendment Act, 1963 had not been enacted.)

Collection and payment of electricity duty.

4. The electricity duty shall be collected and paid to the State Government by the Board or a licensee or a person who generates energy for his own use or consumption as the case may be.

Licensee not to reimburse himself from consumer without sanction of State Govt.

5. No licensee shall, without the previous sanction of the State Government and subject to such conditions as the State Government may impose, recover from any person to whom energy is sold, the duty which falls to be paid by the licensee <sup>2</sup>(under this Act).

Explanation- Where the State Government permits a licensee to charge duty from the consumer, the duty shall not be deemed to be part of the price charged for the energy by the licensee.

<sup>1</sup> Inserted by Punjab Act 11 of 1963, section 3(2).

<sup>2</sup> Substituted and shall always be deemed to have been substituted for the words "in respect of the energy so sold or any part thereof" by Punjab Act 16 of 1959, Section 4.

6. (1) If the State Government so directs by a general or special order, the Board or a licensee or a person generating energy for his own use or consumption shall maintain such record and in such form and manner as may be prescribed showing -

Records and returns.

- (a) the units of energy generated or received by it or him for supply to the consumer ;
